WELCOME

Welcome to our online Sale Brochure. We are trying this new format and hope with the combination of this and our online videos you can access enough pre-sale information on the sale lots.

Videos can be viewed on AuctionsPlus or www.mtwilliamcharolais.com.au

In brief we were hit by the Grampians Bush Fire on Boxing Day; although we did not lose stock, it has certainly made things tougher.

Despite this, our Bulls are in excellent condition and we have an exciting group to offer including seven Palgrove Rain Dance sons, a first time Australian release.

Rosedale bloodlines feature heavily, as well as a thumping ANC Potassium son and quality Moderator progeny.

Our PTIC Heifer Sale Group are packed with femininity and performance and have been joined to our Homozygous Polled Heifer Bull T185 TANK.

Our Sale Heifers were videoed on the 23rd of January 2025, and the videos will be available to view on our website and AuctionPlus in the coming days.

EBVs on all sale lots will be available online from 28th of January 2025.

We thank you for your interest and welcome you to attend our Field Day on Thursday the 30th of January 2025, and of course our Sale Day on the 14th of February 2025.

COMMENTS: A one-off opportunity in this lead Sire in our programme. Moderator's Sire Jubilee was the high selling Charolais bull in Australia in 2015 [\$35,000.00]. He is the Sire of two high selling Bulls at Mount William in 2022 and they were Rome sold for \$23,500.00 and Rhode Island for \$22,000.00. A legacy leaving exceptional females in the Mount William herd. Semen retained.
